

Online District Calendar Instructions

Welcome to the Fairview Park City School District Calendar. Here you can view all of the events planned for the district.

If you wish to see a different month you can either click the blue arrows in the top left corner or click on the down arrow next to the month to get a preview of the calendar you wish to choose.

If you ever wish to return to the calendar of the current day, click on Today and it will take you right back.

To view a particular calendar, go to the top right hand corner, click on the down arrow next to the tab that says Agenda. If for example you wish to view only the high school calendar, uncheck every calendar except for the tab that says high school calendar

To save the calendar to your computer go to the month that you wish to save and press the print button, on the bottom next to the print button is a save as button, click that, you are given a list of options on how to save it.

If at any time you wish to print a calendar, press print and a list of printing options will appear. Please remember that dates are subject to change, visiting the online calendar frequently will prevent any conflicts.
